Additional information:

If you have tickets to sell or are looking to purchase tickets, visit our [Gala Facebook Event](#). Sellers may post "ads" for their available tickets there.

The preferred method for purchasing tickets is online through Eventbrite, which is the quickest way to select and purchase tickets. There will be no in person ticket sales. If you are unable to purchase tickets online, you may call 208-947-7236 and leave a voicemail with your name, number, and the number of tickets you would like to secure. Calls will be returned in the order received. Please note that purchasing via phone will not be faster or ensure better seats than purchasing online through Eventbrite. Leaving a message DOES NOT guarantee your order will be fulfilled. If tickets sell out before we are able to return your message, your order will not be completed.
