

We are local real estate professionals giving back to the community in which we live and work. Our mission is to improve the quality of life in the Boise region through housing-related projects and grants. We are a 501(c)(3) non-profit that is a wholly-owned subsidiary of Boise Regional REALTORS®. We have provided over \$1.8 million in grants to qualifying, local non-profit organizations since our beginning in 1995.

WHAT WE DO

We give back...

We are accepting applications for Annual Grants from September 1 through September 30, 2022. Candidates should be local, non-profits that address a housing related need. Applications can be found on our website.

We support local non-profits...

We engage in quarterly service projects or collection drives for each of our grantees throughout the year. Anyone is able to participate and we encourage all members to join us.

We match gifts...

The Foundation has allocated \$2,500 to be given out each quarter, for a total of \$10,000 for the year. Gifts are matched dollar-for-dollar per member up to \$100 per year. Once the quarterly budget is met, the program will close until the start of the next quarter.
